# 2026 ACCESS OPEN

Our team is determined to strategically evolve our event to maximize our fundraising efforts for Folds of Honor, while providing an environment-rich networking setting for our sponsors.

This year, we will be putting a specific focus on curating our golf teams. We plan to aim our invitations to play in the tournament towards leadership within partner companies. This ensures each of our sponsors can connect with executive-level decision makers during the event. We will be focusing on fellow commercial real estate, development, investment, and insurance service companies

Our goal for 2026 is to raise \$150,000 for Folds of Honor, which is equivalent to 30 scholarships for their recipients. Your team will be a vital part in achieving this goal!
